In 2017, the Fayetteville Police Department will continue to use directed traffic enforcement assignments with our motorcycle officers and Selective Traffic Enforcement Program (STEP) resources. Through traffic enforcement efforts and public service announcements regarding traffic safety, this department will attempt to educate the public on the leading contributing factors related to automobile accidents. Resources such as radar/speed trailers, media outlets and the Traffic Department will be utilized to achieve our goals and objectives, and consistent patrol staffing levels will be crucial to the success of this plan.
