

Steps to Create Public Notification Form

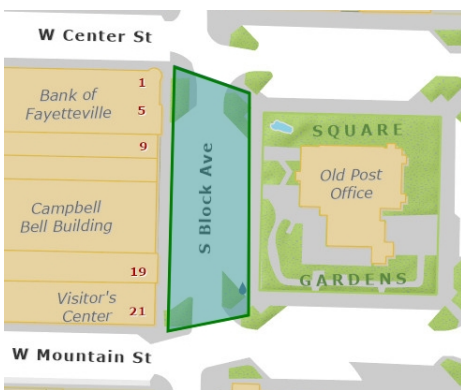

- 1) Navigate a web-browser to: <https://maps.fayetteville-ar.gov/viewer/index.html?webmap=46ac3a6201624738a961f1f3123d7d5b&config=notification.json>
- 2) Pan to the location of interest on the map, or find it by using the address search tool

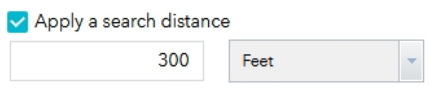

- 3) Open the Polygon Tool by clicking the icon

- 4) Draw the polygon around the location of interest by clicking at each corner

- 5) Check Apply a search distance

- 6) Click the 'Download' button. The PDF form, which can be printed, will appear in a new tab
