Fayetteville's Park system varies in comparison to many others in regard to land assets. We have a total acreage of land that is much higher than averages, but the vast majority of that land is undeveloped (forest/lake).

**Five Largest Parks**

- Lake Sequoyah Park 1400 acres
- Kessler Mountain Regional Park 620 acres
- Lake Fayetteville Park 595 acres
- Lake Wilson Park 320 acres
- Centennial Park (New) 228 acres

**Peers Park Acreage**

- Developed: 620 acres
- Undeveloped: 1301 acres

- 40.2 Acres Total

**Profile**

**Regional Parks**

Fayetteville's Regional Parks On Average Contain:
- 632 Acres

Regional Parks are large parks that have prominent outdoor recreational features that pull people in from the outside of the city which strengthens our tourism economy. All of our regional parks contain multiple trails for hiking or mountain biking and our lakes offer fishing opportunities. Only 8% of our regional parks are developed, the rest is lake or forested areas which provide multiple environmental benefits and offers an oasis for wildlife and native habitat.
