**Re:** Hot cups for Outdoor Refreshment Area beverages

---

Businesses who wish to sell hot beverages to be consumed by their patrons in the Outdoor Refreshment Area shall purchase and use the following insulated cups (*cups can be purchased from a wide range of vendors- see page two for a list of places to purchase hot cups*):

Eco-Products 8oz Insulated Hot Cups World Art  
[SKU EP-BNHC8-WD]

Eco-Products 12 oz Insulated Hot Cups World Art  
[SKU EP-BNHC12-WD]

If businesses wish to use lids the following shall be used:

Eco-Products 8oz Hot Cup EcoLid [SKU EP-ECOLID-8]

Eco-Products 12oz-20oz Hot Cup EcoLid [SKU EP-ECOLID-W]

Businesses who plan to sell hot ORA beverages will notify the City of Fayetteville by [clicking here](#). Insulated cups were chosen to negate the need for sleeves to be used.

City staff researched various options where these cups can be purchased, and the findings are housed in the table below:
