SUBJECT: Adjustment to Outdoor Refreshment Area Pilot Program to accommodate the new Arsaga's restaurant in the Mill District

DISCUSSION:

This memo is notification per [Ordinance 111.07\(c\)\(3\) Outdoor Refreshment Area](#) that staff is proposing a minor adjustment to the Pilot Program area which will begin on 11/30/20. The adjustment is to enable the Arsaga's to sell into the program next week, given they recently opened their brand-new restaurant in the Mill District (481 S. School Avenue). The adjustment will also accommodate Wood Stone Pizza should they decide to reopen their Mill District location
