Fayetteville, AR 72701

**OWNER/MEP AFFIDAVIT  
CITY OF FAYETTEVILLE, ARKANSAS  
BUILDING SAFETY DIVISION**

The City of Fayetteville requires applicants for electrical, mechanical, and plumbing permit to have a license as required by Arkansas State Laws.

A property owner is not required to have license to make application for electrical, mechanical, and plumbing permits for a single-family residence that said property owner occupies.

PROPERTY ADDRESS: \_\_\_\_\_

Now, on this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_ (Please print your name)

\_\_\_\_\_, Declare that I am applying for a permit as indicated for the above described property; that I will be responsible for performing the work and meeting the requirements of all codes, ordinance, and laws: that I am the owner of the above described property; I am an occupant of the property: and the intent for the use of the property is by the owner as a single family residence, Therefore, I am not required to have a license to apply for a permit.
